THE CITY UNIVERSITY OF NEW YORK
OF CRIMINAL JUSTICE

October 27, 2009

Dear Alumnus/Alumna:

I invite you to participate in the John Jay College 2009 Annual Career Fair as a representative of your organization. As a John Jay graduate, your presence will inspire and motivate our students as they begin to make their own critical career choices.

Our Annual Career Fair will be held on Thursday, November 19, 2009 at Haaren Hall ("T" Building) from 9:30 am to 3:00 pm. This informational networking event exposes our students and alumni to prospective employers. Representatives from federal, state, city, and private employers are invited to attend.

I also offer my sincere appreciation to all fellow alumni who have participated in career development events in the past. If you (or another representative of your organization) would like to attend this year, please send a completed Reservation Form by email (careers@jjay.cuny.edu) or fax (212-237-8746) by November 6th, 2009. Please feel free to contact us at 212-237-8754, if you have questions or need additional information.

I hope to see you on November 19th.

Best regards,

Premwati Sukhan
