		<p>Recording Secretary to be posted to the HEO Council website.</p> <p>Section 3: Members at Large</p> <p>The Members At-Large take turns recording the minutes in the absence of the Recording Secretary. Each Member At-Large is charged with chairing one of the Standing Committees of the HEO Council.</p> <p>Section 4 – HEO Council & HEO Council Representatives</p> <p>The HEO Council shall consist of the members of the Executive Board (14) and a group of elected HEO Council Representatives that proportionally represent the HEOs on campus across the five divisions of the college (Academic Affairs, Enrollment Management, Finance & Administration, Marketing & Development, Student Affairs) and the President’s Office/Legal Counsel. Each of the six areas shall have one Divisional Representative. Additionally, there shall be 1 representative for every 15 HEOs working on campus as of March 1 of each election cycle. These individuals all carry one equivalent vote in meetings of the HEO Council.</p> <p>HEO Council Representatives serve a two year term beginning July 1 of even-numbered years and ending June 30. No individual can be elected to be a HEO Council Representative concurrently with any other position on the HEO Council.</p>	<p><u>This is the most important change in the proposed revisions!</u></p> <p>Composition of the HEO Council is redefined. Currently, every HEO on campus is automatically a part of the HEO Council and counts toward quorum whether they are interested in governance or not, hindering the ability of the HEO Council to conduct real business. Under the revised charter, the entire HEO Council switches to a system of proportional representation. In the version presented to the full HEO Council on March 14, each division elected a number of representatives proportional to the number of HEOs in the division, with the Office of the President, Office of Legal Counsel and the Division of Marketing and Development combined into a single group for the purpose of calculating and electing proportional reps. <i>However, further changes were made at the April 11 EB meeting based on suggestions submitted by HEOs, as follows: Each division will now have only one divisional representative, to be nominated and voted upon only by the members of that division. The rest of the representatives will be nominated and elected by all the HEOs regardless of division. In addition, although the Office of the President and Office of Legal Counsel will remain combined because they have so few HEOs, the Division of Marketing and Development will be separate. Term limits have been added for members of the Executive Board.</i></p>
