Research Across Majors
Lunch with Faculty

In this interactive session, students will learn how research skills give them a competitive edge not only when they apply for graduate school, but also when they apply for jobs and enter the workforce.

March 10 | 1:40 PM – 2:40 PM | 1.61 NB

Participating Faculty
Professor Teresa Booker, Africana Studies
Professor Ric Curtis, Anthropology
Professor Samantha Majic, Political Science
Professor Dante Tawfeeq, Mathematics and Computer Science
