# Rates indicated as "1 year", "2 year", "3 year" shall be effective on the January 1 or July 1 following the appropriate anniversary of employment.

** This rate applies to employees who supervise subordinates, the majority of whom are subject to Section 220 of the Labor Law (excluding Laborers A&B).

New hire: is a brand new employee for CUNY, or an employee working less than 2 years at CUNY

Incumbent: is an employee working for CUNY (in any title) for the period of 24 months (2 years) without any breaks in service

For Longevity increment eligible are: Active FT employees with 15 years or more of "City" service (combined).

Max Salary: is never awarded. It is a number showing a maximum rate employee in this title may achieve during the length of employment at CUNY, if merit increases were awarded and added to the incumb rate during the whole CUNY Service.
Most NYC government jobs, including CUNY, are part of the competitive class, which requires permanent appointment through taking and passing a competitive civil service examination. For titles where eligible lists from civil service exams are not in existence, CUNY (and other city agencies) are permitted to consider and appoint qualified individuals who apply directly to vacant positions to ensure that essential college functions are executed.

Qualified individuals may be provisionally appointed to a competitive position while awaiting an exam for their title or for a similar title. While most positions are classified in the competitive class, there are some positions for which competitive exams are not required. For these positions, qualified individuals may be considered and appointed without further examination.

CUNY, as a separate NYC agency, fills many of its positions through the Civil Service Process, a process guided by the New York State Civil Service Law, which is in place to help ensure that the hiring process is competitive and fair. CUNY uses employment examinations to measure a potential candidate’s merit and fitness for a particular title. In most instances, taking an exam is the beginning of a hiring process that may lead to employment with CUNY.

There are three types of examinations:
1. Open-competitive exams are exams any person meeting all the minimum requirements can apply to take;
2. Promotional examinations are open only to employees already in permanent lower level eligible positions;
3. Continuous recruitment examinations are examinations for which applications are accepted on an on-going basis and are used for job titles where there is a lot of hiring activity or for job titles that are very specialized and there may be a limited number of applicants.

Continuous Recruitment example: CSA titles
Continuous recruitment means that applications are accepted on a continuous basis. Continuous recruitments tend to be restricted to examinations of education and experience. If an applicant passes the examination, he or she becomes eligible for a possible appointment for a period of up to two years.

Exam Attendance by current CUNY employee:
Active CUNY employees in classified titles will get paid for the day/time (absences will be excused), when they are taking CUNY’s mandatory exams (i.e., psychological evaluation and medical examination) or are attending a hiring pool for Classified titles (CUNY only) during their scheduled work hours. The employees will NOT be paid, if the day/time they are taking the exam or are attending a hiring pool is on their scheduled day off.

According to PPB 1/89, time spent in civil service examinations, appointment interviews or hiring pools for CUNY titles shall be excused with pay upon submittal of evidence (proof) satisfactory to the Office of Human Resources. Employees must present sufficient documentations (such as exam notification letters to employee from CUNY, invitations to attend the pool/exam) to their supervisor to indicate that they need the release time. This rule DOES NOT apply when CUNY employees are taking exams for any other (non-CUNY) positions/attending hiring pools at any other NYC or NYS agencies, such as NYC Department of Corrections, Police Department, etc.
After each Civil Service exam, CUNY establishes an eligible to hire list. This list consists of all candidates who passed the exam, ranked in score order and is available to each of the CUNY schools with open positions in the corresponding title.

When the CUNY School has a hiring need, candidates are contacted for interviews in list number order. New York State Civil Service Law requires agencies to employ the One-in-Three rule, whereby they must consider and hire one of the three candidates at the top of the eligible list for appointment to a vacant position. Eligible lists usually (but not always) remain active for four years.

**At the hiring pool**
When the list comes out, after the exam was taken by all candidates who applied, CUNY invites candidates with the highest scores to attend the hiring pool for a specific title. CUNY Schools representatives attend the hiring pool when they have an approved vacancy in a specific title. If the candidate is selected for hire at the hiring pool, HR Representative extends a Conditional Job Offer to that candidate.

**Conditional Job offer**
The offer of employment is conditional upon satisfactory completion of all verifications, including but not limited to confirmation of academic and professional credentials, necessary employment and background checks, fiscal ability and approval by the CUNY Board of Trustees. In addition, for titles that require completion of other prerequisites of employment, this offer is subject to the successful satisfaction of those requirements. The terms and conditions of employment are consistent with the applicable rules and Bylaws of the Board of the City University of New York and the existing collective bargaining agreement.

The candidate with the conditional offer is informed that his/her status will be “Probable Permanent” for the duration of one year. This is the established probation period. However, based on the University policy every probationary employee will be evaluated every quarter, prior to the end of the probation period.

**Probation Period**
In the event the new hire employee receives less than an overall satisfactory performance rating during the probation period, the College Personnel Officer upon request of the Hiring Department Manager may choose to extend the probation period subject to the agreement of the probationer, but no more then by six additional months.

The Hiring Department Manager also has an option to request the College Personnel Officer to terminate the employee during the probation period after 2 months of probationary employment based on unsatisfactory performance, attendance issues etc.

If the probation period resulted with the overall satisfactory performance rating the employee is granted **Permanent status** at the end of the probation period. Office of Human Resources sends the letter to the employee informing them of the change of the status to Permanent.
**THE CITY UNIVERSITY OF NEW YORK EMPLOYEE HOLIDAY AND ANNUAL LEAVE PERIODS**

**September 1, 2017 through August 31, 2018**

Holidays, unscheduled holidays and annual leave periods are set by Board policy and/or Union contracts. Schedules are not identical - check the correct chart for your group. The Annual Leave Period of all employees is September 1, 2017 – August 31, 2018. Employees should use their leave accruals within this period. Hours of work are established by College or Unit and cannot change unless approved by the President or designee. Detailed instructions, including handling of exceptions, are in the Bargaining Unit contracts. For example, individuals in some Classified Service titles may be assigned to work on a holiday due to College requirements. If you have questions, contact your Human Resources Office.

A copy of this letter will be placed in your employment file in the Office of Human Resources.

If you have any questions concerning the above, do not hesitate to contact me.

Sincerely,

WORKPLACE VIOLENCE PREVENTION TRAINING

In compliance with New York State law and The City University of New York Campus and Workplace Violence Prevention Policy, you will be asked to complete CUNY’s online training program entitled “CUNY Workplace Violence Prevention” within 60 days of your date of hire. New York State Labor Law mandates that all employees complete training in workplace violence awareness and prevention at least once every year.

Shortly after you start working, you will receive an email from Workplace Answers eLearning, at training@workplaceanswers.com. The e-mail will contain a personalized link to launch the Online Training Program.

You do not need to complete all of the training in one sitting. You may use this personalized link to resume the course or review the material at a later date. The program will bring you back to where you left off in the course.

Your campus may offer in-person classroom training in lieu of the online training program. If you have questions about the online or classroom training, please contact your Campus HR Office.
