

**DECLARATION OF MAJOR APPLICATION**

**ALERT: This application may take up to 24 hours to process before you are permitted to register via eSIMS. Alternatively, you can go to ONE STOP to clear the MJ (Must Declare Major) stop.**

**NEW: John Jay College Policy for Declaration of Major:**

**Students, who have accumulated between 45-60 credits by the end of the current semester they are in, must OFFICIALLY declare or reconfirm their major before registering for a new semester.**

In addition, the following criteria apply:

**To change to Forensic Science major, you must obtain the signature of the Science Department Coordinators.**

**To change from Associate’s Degree to Baccalaureate Degree, you must:**

- Complete 12 credits or its equivalent at John Jay.
- Have a grade point average of 2.000 or higher.
- Pass all three CUNY writing, reading, and math placement tests or be skills exempt.

**To change from Baccalaureate Degree to another Baccalaureate Degree, you must:**

- Pass all three CUNY writing, reading, and math placement tests or be skills exempt.

**To change from Baccalaureate Degree to Associate’s Degree\*, you must:**

- Complete 12 credits or its equivalent at John Jay.
- Complete less than 60 credits.

\*This change is for students who have been admitted to the College conditionally, need to take remedial courses, or have failed one of the CUNY Skills Assessment Tests. Baccalaureate degree students who wish to pursue an Associate’s Degree do **not** need to change their major to an Associate’s Degree.
