John Jay College 2019 Summer Session
Registration Instructions
Registration begins March 4, 2019

1) If you are a current CUNY student from another CUNY campus:
You are welcome to study at John Jay College as an E-Permit Student. An E-Permit enables you to study on a CUNY campus other than your home campus. Apply for an E-Permit.

2) If you are a non-CUNY student from another college/university or applying as a Senior Auditor:
You are welcome to study at John Jay College as a Visiting, Non-Degree Student or a Senior Auditor.

Apply as an Undergraduate Visiting, Non-Degree Student or Senior Auditor.

Apply as a Graduate Visiting, Non-Degree Student.

PLEASE NOTE: Visiting, Non-Degree students are limited to a total of twelve credits (12) unless they are part of a registered certificate program or the Addiction Studies Program and pay a higher rate of tuition than degree students; they are not entitled to receive financial aid and there is a $65 Application Fee. Senior Auditors can enroll in up to two (2) courses on a non-credit basis and pay $80 per session (Application Fee waived).

Completed applications must be submitted to the Office of Admissions by the established deadline each session. Once your application has been submitted and processed by the Office of Admissions, you will be contacted by the Office of Special Academic Sessions with information on how to register. Registration for Visiting, Non-Degree students and Senior Auditors is based on a first-come, first-served basis with priority given to current John Jay College matriculated students and sometimes classes end up being closed and/or cancelled due to low enrollment.
