FROM THE PRESIDENT

Welcome to John Jay College of Criminal Justice. We are delighted that you could join us today for our annual Open House, and we hope that you will soon take the next step to become part of the John Jay community.

John Jay College is a unique institution. It’s a special place where everyone—first-generation students, working students, immigrants, parents, and veterans—can transform their lives with a justice-focused education. We pride ourselves on educating “fierce advocates for justice”—students who are committed to making a difference in our city, our nation and our world. Our priority is to give students the opportunities and resources they need to achieve their dreams.

Today, you’ll get a clear sense of how this campus is alive with energy and passion. You can meet our outstanding faculty who are committed to excellence as teachers and scholars. Learn about our varied academic programs in liberal arts, sciences, and justice-related fields of study. Find out why the John Jay student-life experience—with winning sports programs, active student clubs, and community-service opportunities—is rated among the best in the City University of New York (CUNY).

I am confident you’ll be impressed and discover that John Jay is the right place for you.

Karol V Mason
